Mr. Philip Randazzo
9505 Hillwood Drive
Las Vegas, NV 89134

Dear Mr. Randazzo,

Thank you so much for your generous support of the Intrepid Fallen Heroes Fund. Your contribution has made it possible to provide over \$16 million to the families of military personnel lost in performance of their duty. These efforts have also helped inspire our nation's leaders to enact a new federal law significantly increasing the help provided to the families of those who have been lost.

As a result of this legislation the first mission of the Intrepid Fallen Heroes Fund-supporting the spouses and children of those who have fallen-has been largely fulfilled. The Fund has now embarked on a new, much needed & truly remarkable mission: the construction of a world-class state-of-the-art national physical rehabilitation and advanced training skills center at Brooke Army Medical Center in San Antonio, TX.

This facility, called The Center for the Intrepid will serve military personnel who have been catastrophically disabled in operations in Iraq and Afghanistan as well as active duty personnel and veterans severely injured in previous operations and in the normal performance of their duties, combat and non-combat related. The Center will provide exceptional facilities and provide advanced technology for the rehabilitation needs of the patients and their caregivers. Multiple amputees and those who have been severely burned will be those who will benefit the most from this extraordinary Center. We want to help them not just receive the best in prosthetic technology but to ensure they enjoy the activities of their life before the injury occurred such as going back to work, running a marathon or riding a horse.

In this season of giving, we hope you might join us in bettering the lives of the brave men and women by purchasing a Center for the Intrepid Engraved Granite Paver. These pavers will line the pathways of the Center for the Intrepid and as the service members, veterans and their families enter the Center they will be reminded of the thousands of Americans who support them.

More information on the Center, the Engraved Pavers and on contributing as a holiday gift can be found on the enclosed pamphlet and ordering form. Online ordering is also available at our website www.fallenheroesfund.org. Please also feel free to pass this information on to someone you feel may share your care and concern for our nation's heroes. 100% of contributions go directly to the construction of the center; no administrative costs are deducted.

Again, thank you for your kindness and generosity. We look forward to your continued thoughtful remembrance of our service members and their families.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill White".
