Subject: Teddy Bears

Phil,

Attached are some pictures of the great Teddy Bears you sent being given to Iraqi children. I almost got trampled at one stop, it looked like there were about 20 kids and the next thing I knew hundreds started showing up. The kids love them and it is certainly nice to see a smile on their faces. Thanks for taking the time to send the bears and for being so thoughtful. Hello to all! We continue to defeat these truly evil terrorists and Freedom will prevail!

Thanks again,

Bob
