Dear Ms. Henninger,

On behalf of the South Kitsap High school, Wolf Company NJROTC, thank you and the foundation for the Defending Freedom bracelets. We all greatly enjoyed them. We all wear the bracelets to support the men and women of the armed forces. Every bracelet helps promote the patriotism our country needs so much of.

Again , thank you for thinking of the South Kitsap NJROTC and promoting patriotism in this fine, beautiful country. God bless!

Sincerely,
