Thank you for your "tax exempt" donation of \$2,008.00. The primary mission of the ARMOR 4 TROOPS FOUNDATION is to provide new and replacement "state-of-the-art" protective eyewear, Under-Armour, multi-function tools, personal gear, and other critical equipment and services directly to our American troops in the field that are currently engaged in war zones or other peacekeeping and humanitarian missions throughout the world. These funds will go a long way by providing these much needed products. I invite you to visit our web site, www.armor4troops.org and see what we are doing. If you know of any American Military member serving in a combat zone that needs help, please feel free to call us.
