Both of your check donations totaling \$456.00 have been submitted to Fisher House Foundation which will also send you an acknowledgment and thanks. We have also informed Defending Freedom Foundation of your generous support.

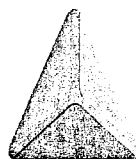

The plan for a Fisher House at Hines has been approved by the Veterans Administration; therefore, we are waiting for a Fisher House representative to attend our next Fisher House Board meeting to provide guidance for our official fund-raising launch.

Thank you for your fund-raising efforts supporting a Fisher House in Illinois. Your kind of volunteer activity encourages us to continue in our endeavors. We'll keep you posted on developments as we prepare for a launch that is garnering tremendous local interest.

Sincerely,
