Dear Mr. Randazzo:

Thank you for your continued support of the Department of Military Science (ROTC) at Ball State University. Our cadets are truly fortunate to have such a committed supporter. The Defending Freedom.net Scholarship is a positive incentive for the cadets who choose to join the US Army and pursue a career as a commissioned officer.

Again, thank you for your continued support of our program and the US Military.

Sincerely,

Lieutenant Colonel James A. Girdley
Chair and Professor of Military Science
Ball State University
