Our entire Board, Committee members and everyone within our organization hope you had a very blessed Holiday and wish you the very best New Year.

We have celebrated our fifth year in helping our wonderful military and their families and could not have been there for them were it not for your generosity and support. We are so very grateful for your thoughtfulness.

We continue to help surviving children, spouses and severely disabled veterans and their children with their college tuition and books as well as families that are affected with financial difficulties. With your help we have helped many families in CA, FL, RI, PA, NC, OR, TX, VA, LA, KS, GA, NJ, NY, MI, UT, TN, IL, VA and IN and are beginning to reach out to even more in our recent mailings.

I am proud to report that our Grant Committee has awarded more than \$284,000.00 in grants and scholarships since the Spring of 2005 and we still manage to keep our administrative and management expenses below 5% of our revenues.

We will continue to do our best to not only help our families financially, but lift their spirits as well. Please remember our military and their families in your thoughts and prayers; they deserve not only our thanks, but our compassion as well.

May God Bless you and yours throughout the years.

With Much Gratitude,

Rebecca (Becky) Campbell
