

Re-elect
**DR. JOE
HECK**
STATE SENATE 5

December 16, 2008

Dear Phil:

Now that the flurry of activity associated with the November 4th elections has passed, I would like to take this opportunity to thank you for your support during my re-election campaign.

This was an interesting year to run for elected office. We came extremely close (within 765 votes!), but just could not overcome the triple threat of an unpopular Republican administration, a well-organized Democratic machine, and a million-dollar negative campaign directed against me. The fact that we did as well as we did – in a district where almost two-thirds of the votes for president were cast for President-elect Obama – is a testament to the positive impact of your generosity. My loss in no way detracts from the importance of your support and your standing by me throughout the campaign is deeply appreciated.

While I am not returning to Carson City in 2009, I am looking forward to the opportunities that lie ahead in 2010 and beyond. I enjoy serving the people of Nevada, hoping to make a difference, and eagerly await the next opportunity to return to public service.

Best wishes for a happy holiday season and a prosperous new year!

Sincerely,

Dr. Joe Heck
