Dear Mr. Randazzo,

Thank you once again for supporting the Injured Marine Semper Fi Fund and for your generous donation of \$1,000.00 on 12/31/2008. Your support means the world to us.

We are blessed to help restore the dreams to those who have sacrificed so much in their service of our great country. This year, because of donors like you, we have been able to expand our support. We are now able to assist beyond the immediate crisis and recovery period, by helping with handicap renovations to homes, handicap ready transportation, computers and software for those with vision or traumatic brain injuries, and other adaptive equipment.

Your donation will help us to continue expanding the reach and focus of our assistance to improve the quality of life of our service members and their families. The needs continue to be great, and your support ensures that we are able to keep our mission moving forward.

Again, thank you for your continuing support. We cannot overstate your vital role in helping IMSFF accomplish our mission of "serving those who preserve our freedom."

Sincerely,

A handwritten signature in cursive script that reads "Karen Guenther".
