Dear Philip,

On behalf of the Board of Directors of the Injured Marine Semper Fi Fund, thank you for your generous donation of \$274.00 on 06/09/05. Your gift makes it possible for us to support our Marines and Sailors, and their families in this time of war.

In the past year, the IMSFF has assisted returning wounded Marines and their families with over \$1.4 million in personal grants. These grants allow families to travel, often over great distances, to be at the bedside of their loved ones. Providing immediate emotional support to a wounded Marine is instrumental in his or her physical and emotional healing. However, the emotional stress and financial burden placed on the spouses, parents and children of the Marine can take its toll. Your gift allows us to alleviate some of the pressure of travel, childcare, and lost income these families face during extensive hospital stays.

We thank you, from the bottom of our hearts, for your support of our Marines and Sailors. Your donation allows us to carry on our mission of "serving those who preserve our freedom".

Sincerely,

Elizabeth A. C. Quist  
Treasurer, IMSFF
