**RE: Freedom Wristband Donation**

**Dear Phillip Randazzo,**

On behalf of the Board of Directors of Military Aid, Inc. and our affiliate volunteers, thank you for your extremely generous donation of \$6000 on January 9<sup>th</sup>, 2006. We look forward to launching a fundraising drive featuring the Freedom Wristbands in the Fort Hood and Central Texas military corridor in the very near future. Your gift makes it possible for us to support our wounded warriors and brothers in arms during this critical time of war.

MILITARY AID, Inc. is a not for profit 501 (c) (3) Military Entertainment Charity founded by Christian entertainers, radio broadcasters, seasoned combat veterans, and concerned American citizens. These conscientious patriots firmly believe ..... "That God has established the United States Military as his modern day sword of justice to strike through the heart of tyranny in the world" ..... Consequently, Military Aid has designed it's entertainment and charitable programs to provide inspiration and comfort to American military personnel and their families with the goal of enhancing the combat readiness of America's soldiers who are voluntarily compelled to live under the constant pressures of war. Military Aid derives a great sense of satisfaction knowing that the use of the public funds entrusted to our care will yield such a great benefit to the U.S. Military. Our funds are generated through proceeds from Military Aid annual concerts and special events, through membership in M.A.M.A. - the Military Aid Member Alliance, and through private, public, or governmental grants and donations like yours. We want you to know that ..... Your Contribution Will Be Felt On The Front Lines

**Best Regards,**
