Dear Nevada Benefits:

Hello. My name is Melissa McAdams and I am a volunteer with the USO based in the DFW Airport in Dallas, Texas. I recently requested bracelets from Phil and was overwhelmed by his generosity. He graciously sent me over 1,000 of them to hand out at the send off of troops at the airport. I had many soldiers ask about these particular bracelets because no one seemed to know how to get them. Many of their questions were answered when I contacted Phil. Through him I was able to hand out the bracelets on different occasions at the airport. All the soldiers that I talked to were pleased to receive them and some took extra with them for their buddies that were still in Iraq or Kuwait. Thank you so much for helping me to put some smiles on our service men and women's faces that they needed in this time. I am sending some photos of me and some of the recipients of the bracelets in a separate email. Thanks Again.

God Bless,

Melissa McAdams
