Subject: The Crown Meets the Flag

Dear Phil: Congrats on the work you have chosen to do, it is essential and vital. We must never let the troops be out of our hearts, even more now since so many have loved ones they cannot assist.

My Daughter Megan Tobin is Miss Clark County 2005 (Prelim to Miss America) and last night we meant with 14 other State Representatives to encourage all Miss America candidates to use their networks and skills to fund raise for the victims of Katrina. September 23 we will do a neighborhood garage sale to raise funds for the American Red Cross. We hope in October to do a second fund raiser to raise funds for the families of the troops who need assistance. We know their sons, daughters, husbands and wives cannot come home instantly, and rebuilding for the military families will be huge. If you can offer any direction, please email or call. Keep up the good work. We have mobilized the Miss America Organization to do as must as possible.

Sincerely,

Marnie Tobin
