Dear Philip Randazzo,

On behalf of the Board of Directors of the Injured Marine Semper Fi Fund, thank you for your generous donation of \$6200 on 1/28/2005. Your gift makes it possible for us to support our Marines and Sailors, and their families in this time of war. Please use this document as a tax receipt for your donation.

When a loved one is injured, families will travel at a moment's notice, and often over great distances, to be at their bedside. Providing immediate emotional support to a wounded Marine is instrumental in their physical and emotional healing, however, the emotional stress and financial burden placed on the spouses, parents and children of the Marine can take its toll. The love and support shown by caring people like yourself, allows us to alleviate some of the pressure of travel, long-term childcare, and lost income these families face during extensive hospital stays. As the Marine transitions out of the hospital, your donation allows us to assist these families in their day-to-day struggle against loss of limbs, sight, and often mobility.

We thank you, from the bottom of our hearts, for your support of our Marines and Sailors. We only wish that you, too, could see the relief, thanks, and joy we receive from each family we assist. They sacrifice of themselves in a valiant attempt to make the world a safer place for all, and we thank them.

Sincerely,

Elizabeth Quist
Treasurer
