Dear Mr. Randazzo:

On behalf of the nearly 1.5 million active duty men and women serving in the United States Air Force, Army, Coast Guard, Marine Corps and Navy, and their families, please accept our heartfelt gratitude for your thoughtful and most generous contribution to the Armed Forces Relief Trust. During the past year, the four military aid societies collectively disbursed more than \$100 million in interest-free loans and grants in response to calls or help from members of our Armed Forces.

Thanks to unselfish organizations and individuals like you, the military aid societies are able to respond with enthusiastic, effective, and timely support to the distress calls of our men and women in uniform. We're pleased to confirm that the military aid societies will use 100% of this donation to help Airmen, Coast Guardsmen, Marines, Sailors, Soldiers and their families. For Internal Revenue Service documentation purposes, this was a \$20,000.00 cash contribution dated December 23, 2004 and no goods or services were exchanged for the donation.

Thank you again for your benevolence and for sharing a sample camouflage "Defending Freedom" wrist band. We truly appreciate your strong support of our service men and women. Your interest in improving the quality of life for our men and women who wear a military uniform and their families is highly patriotic and commendable. I hope that 2005 will bring you excellent health, happiness and continued prosperity.

Sincerely,
