## Heartfelt Gratitude

to

Phil Randazzo

of

Defending Freedom

Thank you for all of your support of Packages From Home. We appreciate that you, with your own private venture in place to honor our service members, continue to support Packages From Home in its mission of military support. We wholeheartedly thank you for your generous donation of over \$20,000 thus far through the sale of your Defending Freedom bracelets. Your efforts assist us to continue our mission to support deployed American Troops who are continuing the fight for Freedom. Your donation allows us to send more care and comfort gift packages to American military personnel serving our country far from home. Packages From Home is an all-volunteer effort to send our troops small tokens of Americana to remind them they are not forgotten. But we cannot do it alone. It is thanks to patriotic citizens like you that our soldiers, sailors, marines, airmen and guardsmen all know that America appreciates their sacrifices and stands behind them with honor and respect.

In honor of your patriotism, this Certificate is issued this  
18<sup>th</sup> day of April, 2007.

From our hearts to yours: Thank You for Making a Difference.
