Dear Phil:

On behalf of the U.S. Wounded Soldiers Foundation and all those who benefit from its work, we would like thank you for the calling cards and girl scout donation of cookies for the Phoenix Project.

It is heartwarming to know that you share our concerns for our wounded heroes and are willing to contribute your time and blessings with them. Because of your unselfishness, you have provided both physical and emotional encouragement to hundreds of our military as they recuperate.

Thank you for your time and support. It is through your giving that we are able to minister to those who defend us so bravely.

With warmest regards,

Teresa Goforth
Executive Director
