Dear Mr Randazzo *Phil*

Thank you very much for the generous donation of one thousand dollars to the Friends of Fort Benning presented on September 23, 2011 donated in memory of T. Samuel Rawls. As you know, Mr. Rawls was a long time supporter of Fort Benning. Mr. Rawls was also a staunch supporter and patron of the fine arts in our surrounding community. Through your donation we will purchase tickets to Broadway productions at the RiverCenter for the Performing Arts as well as concerts by touring groups like Kansas, the Vienna Boys Choir, and our own Columbus Symphony Orchestra. These tickets will be used by young Lieutenant couples or Captain couples attending schools at Fort Benning. We will also ensure young Soldiers assigned to Fort Benning have the opportunity to use these tickets. We will use some of your donation to support activities of the command Group which cannot be paid for by government funds. Mrs. Rawls has been notified of your anonymous donation and is extremely pleased with this planned use of the funds. She asked that you be thanked "from the bottom of her heart". Our mission to support the Leadership, Soldiers, and Families of Fort Benning is supported strictly through donations from the local community, corporate sponsors, and donors like you. Your generosity allows us to continue our support of Soldiers and their Families.

We truly appreciate all that you do with and for our Soldiers and their Families both formally and informally. We are fortunate to be surrounded by a supportive and caring community but it is particularly important and thoughtful to have nationwide supporters like you. Thank you again for thinking of and supporting our Soldiers and their Families. One Force, One Fight!

*We really appreciate
your generosity & absolute
commitment to our Soldiers!*

Sincerely,

Samuel Selby Rollinson
President, Friends of Fort Benning
