Las Vegas, NV – May 15, 2006 – This Friday the Girl Scouts of Southern Nevada will be dropping off over 4000 boxes of Girl Scout Cookies to be shipped overseas to US Troops in Iraq & Afghanistan. This will be one of the largest shipments of Girl Scout Cookies ever. Reporters, photographers and camera crews are invited to document this benevolent event this Saturday May 20, at 9 am at Summerlin Post Office located at Summerlin Parkway and Town Center Drive.

This donation was made possible due to the kindness of the Girl Scouts of Frontier Council's donation of the cookies and the support of Nevada Benefits Foundation to cover the shipping costs and help coordinate this large effort. "I'm in constant communications with the troops and I have several requests for Girl Scouts Cookies. They just crave a little taste from home. I contacted Toni at the Girls Scouts and she really came through," Phil Randazzo.

"Community service is a long-standing tradition in Girl Scouting, allowing girls to learn the value of helping others. Their service and generosity significantly contributes to the quality of life for our service men and women," Toni Carey.
